

GUEST ROOM

Some of the most germ-ridden touch points are those in guest rooms and bathrooms. Keep *Everything Clean* by properly cleaning and disinfecting these commonly-touched surfaces.

Key Touchpoints for cleaning include:

Guest Room

- 1  Door handle
- 2  Light switches
- 3  Furniture and handles
(tables, chairs, dresser, nightstand, etc.)
- 4  TV remote
- 5  Telephone
- 6  Refrigerator/microwave
- 7  Resource material
(menus, local information, Bible, pens)
- 8  Alarm clock
- 9  Thermostat
- 10  Trash/recycling receptacles

Guest Bathroom

- 1  Door handles
- 2  Light switches
- 3  Dispensers (soap, toilet paper, etc.)
- 4  Toilet (handle, seat, etc.)
- 5  Handrails
- 6  Faucet/shower handle/tub/sink
- 7  Trash/recycling receptacle
- 8  Floors/walls
